PRESS RELEASE

ARTS AND CRAFT SHOW

York, PA - Springettsbury Township's Parks and Recreation Department will sponsor its annual Arts and Crafts Show at the York Galleria Mall from Thursday July 28th through Saturday July 30th. The Arts and Craft Show will operate during normal Mall hours of 10:00 a.m. through 9:00 p.m.

This three day event will highlight arts and crafts created by township children, ages six through fourteen, who participated in activities at the nine township park sites. All crafts will be awarded a ribbon. The top three overall winners, as well as the top three winners in each age division, will receive trophies.

In addition to the individual crafts, each of the nine participating parks will present an All – Park Craft, a collaborative project completed by all of the park participants at a given site. These crafts will be displayed for public judging. The public is invited to visit the craft show and cast a vote for its favorite All – Park Craft. All crafts will be display near the Sears entrance and The Gap on the lower level of the York Galleria Mall.
