Springettsbury Township Awarded Penn Prime Grant

York, PA – Springettsbury Township has been awarded a grant from Penn PRIME for an AED for its Amphitheater in Springettsbury Township Park.

As a municipal insurance trust offering workers' compensation and liability coverage's, Penn Prime distinguishes itself by providing products and services tailored to meet the needs of local government throughout Pennsylvania. One of these services is the grant program which funded \$100,000 in 2009 in requests from its members to improve worker and public safety.

With this grant, Springettsbury Township will continue its efforts to improve operations.
