

**Springettsbury Township
Recycling Committee**

MEETING MINUTES

January 13, 2015

ATTENDEES

Ron DiAngelo; William Greenawalt; Jason Smith; Mary Ann and Tom Sheffer;
Penny Dellinger; Abby Gibb, Township Representative.

The Committee met to discuss the feasibility of having a township Styrofoam collection program. Dart Container Corporation, a Lancaster County company, offers foam recycling. It was determined that having a township collection or drop off would not be possible at this point. The only possibility would be informing residents of this program so that they would do the Styrofoam recycling on their own. How to do this is being researched.

The committee also discussed working with vendors at Township events to restrict the use of Styrofoam containers and to have recycling bins at those events to collect recyclable materials. Research is being done to determine if this can be done.

One last item discussed was the disposal of old American flags and it was noted that there are organizations which do disposal in the proper way and that perhaps this could be noted in the Township newsletter.

The date of March 10, 2015 at the time of 6:00 p.m. has been set for the next meeting.

Respectfully submitted,

Penny Dellinger
