The experienced E.R. physicians and the entire team are committed to working diligently to have you initially seen by a clinical professional within 30 minutes of your arrival. If you need an E.R. fast, try our E.R. Once you do, you won't want to go anywhere else.

For more information, visit mhyork.org.

A physician, physician assistant or nurse practitioner is committed to working diligently to have you initially seen within 30 minutes of your arrival. If you are experiencing a medical emergency, call 911.

I AM A REPUBLICAN BECAUSE...

I BELIEVE free enterprise and personal initiative have brought this nation opportunity, economic growth, and prosperity.

I BELIEVE our nation needs to protect the dignity of every individual and guarantee the right to life, liberty, and the pursuit of happiness.

I BELIEVE in a limited government that practices fiscal responsibility and works to lower taxes so individuals can keep more of their hard-earned money.

I BELIEVE in a strong national defense to ensure that Americans remain safe, terrorists are defeated, and democracy flourishes throughout the world.

I BELIEVE the Republican Party is the best vehicle for converting these ideals into positive and successful principles of government.
