Re: **RIGHT-TO-KNOW REQUEST – Vehicle Accidents**

Dear Mr. Mixon,

Thank you for writing to Springettsbury Township with your request for:

“I want to know how many vehicle accidents have occurred at the intersection of Eastern Blvd and Locust Grove Road from 5/24/2015 to 5/23/2016. If there have been more than 6 vehicle accidents in that period, then expand the search to be from 5/24/2014 to 5/23/2016. Provide dates of accidents.”

Your included email indicated: “The results of the record check can be emailed to me. I don’t need copies of the accidents reports nor do not need to inspect the records. I just need to know how many and what the dates of the accidents were.”

I have reviewed the request and an extension of time to respond is required due to the reasons set forth below. The Township anticipates responding to your request no later than July 1, 2016.

- The extent or nature of the request precludes a response within the required time period.
- The request requires the retrieval of historic records.
- Timely response to the access cannot be accomplished due to bona fide and specified staffing limitations.

The applicable fees associated with your request are unknown at this time. You will be advised of the estimated fees after completion of review of your request.

Please be aware, the records will be provided in the format in which the Township currently maintains them per Right to Know Law Section 705: *Creation of record. When responding to a request for access, an agency shall not be required to create a record which does not currently exist or to compile, maintain, format or organize a record in a manner in which the agency does not currently compile, maintain, format or organize the record.*

If you have any questions, please do not hesitate to contact me.

Very truly yours,
