Ms. Gibb,

You were very helpful with a previous information request, and I'm hoping that you can point me in the right direction again.

I work for York Suburban School District, and we are submitting a hazardous roadway study to PennDOT for Cambridge Road. As part of the study, PennDOT requires the following information:

- The number of pedestrian-related accidents that occurred on Cambridge Road in the last 36 months between 7:00 AM and 8:45 AM.
- Copies of each police accident report for any pedestrian accidents that occurred, and the location along Cambridge Road where they occurred (I have to place each location on a map).

Are you able to provide this information or put me in contact with the appropriate person? Thank you for your help!
