

**Springettsbury Township  
Recycling Committee**

**MEETING MINUTES**

**September 9, 2014**

**ATTENDEES**

Charles Stuhre; Jason Smith; Mary Ann and Tom Sheffer; Penny Dellinger; Abby Gibb (Township Committee Representative).

The Committee was given a tour of the new Springettsbury Township Fire Station led by Fire Chief McCoy. The facility is state of the art, energy efficient and will serve the community well into the future.

The Committee then discussed Electronic Recycling and the need to find a better way to communicate to residents that these items will no longer be picked up at curbside and must be taken to the Electronics Recycling drop-off site at the York County Solid Waste facility off Blackburn near the incinerator. It was suggested that perhaps this might be mentioned in the YCSWA's ad that they run periodically as well as continuing to note it in the Township's newsletter on the Recycling page.

The date of November 11, 2014 at the time of 6:00 p.m. has been set for the next meeting.

Respectfully submitted,

Penny Dellinger
