

**Springettsbury Township  
Recycling Committee**

**MEETING MINUTES  
September 11, 2012**

**ATTENDEES**

Ron DiAngelo, Chairman; Charles Stuhre; and John Holman (Township Manager).

Mr. Holman reported that the bids for the new trash contract we received, checked for legal clarity and the low bidder determined. There were two companies that submitted bids and Penn Waste was the lowest. Their rate for 1 or 3 bags was the same at \$34.50 per quarter plus a new Township Administrative fee of \$3.44 per quarter. The total rental would be \$18.00 additional per quarter. The RecycleBank option would no longer be available. The contract will be awarded at the September 27, 2012 BOD meeting.

One of the items on the Recycling Committee agenda for next season will be monitoring the tonnage reports and resident's complaints of service plus a review of all recyclables with the new hauler.

At our next meeting on November 13, we will meet with Ed Ward from Penn Waste to discuss features of the contract.

Respectfully submitted,

Ron DiAngelo
