

**Springettsbury Township
Recycling Committee**

MEETING MINUTES

April 10, 2018

ATTENDEES

Charles Stuhre, Chairman; Penny Dellinger; Abby Gibb, Township Representative.

The first item discussed was the issue of resident complaints. At times loose trash is not making it into the truck and is left on the street to blow around. The new mechanical trucks don't always put the can back in place on the curb as well. One suggestion would be to have someone observing the drivers to make sure that they are putting the cans back in place and getting loose pieces of trash. Also a suggestion can be put in the newsletter for residents to put all loose trash in a bag within the trash can itself.

Next the committee discussed the suggestion of emphasizing on the Recycling page of the township newsletter the York County Solid Waste Authority's website as a good source for recycling information for residents. It is noted that the Hazmat Recycling date for this spring is Saturday, May 5 from 9 am until 1 pm at 915 Woodland View Drive, York, PA 17406.

Lastly, the committee confirmed the decision to meet once a year in April and at any other time as the need arises.

The date of April 9, 2019 at the time of 6:00 p.m. has been set for the next meeting.

Respectfully submitted,

Penny Dellinger
