

**Coming Soon....Medicare's Annual Open Enrollment Period  
October 15<sup>th</sup> – December 7<sup>th</sup>**

During Open Enrollment, Medicare beneficiaries have the option to compare and switch their current Medicare Advantage Plan or Part D Prescription Drug Plan with new upcoming plans for 2021.

**Why should you get a free comparison?**

Medicare Advantage Plans and Part D Prescription Drug Plans can change yearly. Premiums, deductibles, cost sharing, and drug formulary updates are just a few of the things that can change with your plan. Open Enrollment only happens once a year, so it's important that you take advantage of this time period and make sure you have a plan that fits your needs and budget. Even if you're happy with your current plan, it's always a good idea to compare your options or review your plan to see what changes will happen in 2021.
