Re: **RIGHT-TO-KNOW REQUEST**

Dear Ms. Holland,

Thank you for writing to Springettsbury Township with your request for information pursuant to the Pennsylvania Right-To-Know law.

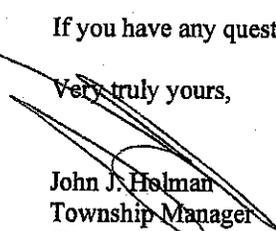

On May 12, 2010, the Township received your request for "All Speed studies done in the Haines Acres area including Kingston Rd, Cortleigh Dr and Forest Ln. Also an updated copy of accident report for the last five years to present for the corner of Kingston & Cortleigh. Any additional information forwarded to the township engineer regarding this study."

Thank you for reviewing the request with me during our phone conversation of May 17, 2010. Based on this conversation I understand that the raw speed and data study information that was provided to you by Mr. William Schenck, Chairman of the Board of Supervisors, satisfied your request for the speed studies. The only information you are requesting is a summary of the traffic accidents at the intersection of Kingston Road and Cortleigh Drive. A copy of the summary list is printed on the reverse side of this correspondence.

I understand that you will be attending the May 27, 2009 Springettsbury Township Board of Supervisors meeting at which the Township Engineer will present his findings based on the traffic study for which the data has been collected.

If you have any questions please do not hesitate to contact me.

Very truly yours,

John J. Holman
Township Manager
