The Township has reviewed its files and available records are included with this response electronically. The only available record on file since September 2018 is a Building Permit for demolition for the property at 3655 Stoneridge Road. The building on the property has been taken down; the building permit remains active to make sure that the soil is seeded properly and stabilized to prevent erosion issues.

Please be advised that this correspondence will serve to close this record with our office as permitted by law.

If you have any questions, please do not hesitate to contact me.
