    If all you want is to dispose of your unwanted equipment — regardless of brand — we can help you do that. Apple contracts with Sims Recycling Solutions to responsibly recycle computers and displays from any manufacturer. Just call 800-966-4135 to receive a free prepaid shipping label. Then pack up your equipment using your own box and send it off. For more information about Sims Recycling Solutions, visit oem.srsapp.com/ApplePoweredBysims/.
